The new 'Stance & Style' ... is looking **BETTER** than ever!

Hi Friends,

Stance & Style Footwear is excited to announce the unveiling of our new look and feel to the company! We have spent many months developing and reforming our brands, putting together a great national marketing campaign and a fantastic new website which you can visit at www.stancefootwear.com.au

Make sure you keep visiting us regularly to take advantage of the special offers that will be only offered via the website, these will include priority access to sale items, loyalty programs, new styles, promotions, competitions and updated listings of current and new stockists in your area!

We are also very proud to announce the launch of our 'Eco Collection' by Swimming With Sharks Footwear which consists of a range of shoes and sandals made totally from sustainable and recycled materials, and we are proud to be doing our part for the sustainability of the environment. For more information on the range, forward your enquiry by email to megan@stancefootwear.com.au

For now, we hope you enjoy what we have done and your comments are more than welcome to enable us to continue improving our brand and product.

Keep your feet moving,
Megan
